

## **BIOGRAPHY**

- I. Name: Lin, Ching-Jen
- II. Place of Birth: Taiwan
- III. Nationality: TAIWAN
- IV. Age: 43 and Male spcjlin@ipx.ntntc.edu.tw
- V. Education
  - 1. The Ohio State University master program of vision education 1989-1990
  - 2. The Ohio State University, rehabilitation service (doctoral program) 1990-1991
  - 3. The University of Texas at Austin, Ph.D., Special Education (rehabilitation counseling major) 1991-1995
  - 5. Visiting Scholar: UT-Austin (USA) , 2002.7-2003.2
- VI. Current Position
  - Associate Professor, Department of Special Education
  - Director, Center for Vision Education and Rehabilitation at
  - National Tainan Teachers College
- VII. Experience with biopticdriving: As a low vision person, I have used bioptic telescope for driving for about ten years in USA and Taiwan. I am in Taiwan right now and drive daily for nine years. Two friends of mine with low vision also drive with BTS. The situation right now in Taiwan is that Taiwan government still has not allowed low vision persons to drive with or without BTS. I use Texas driver license.
