Henry A. Greene, OD, FAAO, is a 1974 graduate of PCO where he was senior class director of the Student Optometric Service to Haiti. He subsequently worked with Dr. George Hellinger to receive additional training in low vision care. He maintains a private practice in North Carolina, is a co-founder of Ocutech, and is a Clinical Professor in the Department of Ophthalmology at the University of North Carolina where he directs the Low Vision and Rehabilitation Service. He has been the principal investigator on more than \$1.5 million in grant funding from the National Eye Institute for the development of BiOptic telescopic devices.
